Product review is conducted according to the current OMRI Policy Manual and based on the current OMRI Standards Manual. To verify the current status of this or any OMRI product, view the most current version of the OMRI Products List at www.omri.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be used as such. Final decisions on the acceptability of a product in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.
